

# We Need Your Help!

Are you a resident in one of our Estates? Are you interested in improving our housing services within your community? If so we need your help!

We want tenants to become actively involved within the organisation. There are a variety of ways in which this can be done and no previous knowledge or skills are required.

We need volunteers that want to make a difference, learn something new and work as part of our team. You can be involved from just an hour or two a month, committing your time when it suits you.

Child care can be provided and transport costs will be reimbursed.
