

Scottish Housing Regulator National Panel of Tenants and Service Users

Help to improve social landlord services...

The Scottish Housing Regulator's role is to protect the interests of tenants, homeless people and others who use the social landlord services. The National Panel is an important way for the SHR to hear about service users' priorities. **All people who use social landlord services are invited to join the Panel** – including tenants, homeless households, home owners receiving factoring or common repairs services from a social landlord, and Gypsy/ Travellers who use a social landlord site. **Every new member completing the survey will have the chance one of 4 x £20 prizes**

To see our current survey (and join the Panel):

Online at bit.ly/natpan3

OR call Craigforth (who manage the Panel) on 0800 027 2245

OR email Craigforth on shr@craigforth.co.uk
