

# Abertay Housing Association

## We Need Your Help!

We are shortly going to be carrying out a review of our Tenants Handbook and we are looking for residents to participate in this process in one of two ways.

1. Join a Focus Group to meet and discuss various options regarding content and layout and to compare other Association's handbooks to identify any improvements we could make to ours.

OR

2. Armchair members – people who give their views by email or post on the current handbook and any improvements or suggestions that they have.

Child care can be provided for attendance at the Focus Group and transport costs will be reimbursed.

If you think you would be interested in any of the above contact our Tenant Participation Officer, Sharon Clinton, on 01382 903545 or send us an email to [Sharon@abertayha.co.uk](mailto:Sharon@abertayha.co.uk)
