New Pathways Handyman Services

Making a difference.

We are a registered, not for profit, Social Enterprise who provide supported accommodation and housing support to vulnerable adults who are homeless or at risk of homelessness.

Using our service means you help your community.

Every time you use our services, the money contributes towards the provision of support services. Therefore you are not only buying a quality service, the money you pay for that service goes on to provide a helping hand to vulnerable adults in your local community.

**"We help you in your home
and invest in helping others find a home."**

An example of the services we can provide:

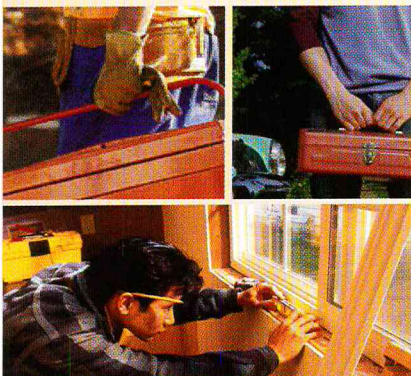

HOUSEHOLD HELP- changing light bulbs, taking down & putting up curtains, turning mattresses, moving furniture within a room etc

HOME IMPROVEMENT PROJECTS- installation of shelves, blinds, curtain rails, resealing of bath & shower units etc

HOUSEHOLD FIXINGS- handles, locks, doors, shelving, T.V. wall mounts, flat pack assembly, laminate & hardwood flooring, joinery work etc.

CLEARANCES- from sheds, garages, homes, offices & commercial properties.

We also provide a **PAINTING & DECORATING** service and a **JOINERY** service by a **time served Joiner with over 30 years experience.**
