## DATA PROTECTION

## REPAIRS

If we carry out repairs for you, the repairs you have been charged for in this bill cover the period 1 March 2020 to 30 September 2020.

## OTHER MAINTENANCE

Abertay sometimes needs to carry out repairs to common areas of factored blocks, where we still own at least one property in the block. These can range from general Reactive maintenance, emergency works or more significant Planned Maintenance repairs. Abertay will always consider the limits to inform and for consent and where required, will advise owners in advance of instructing the work and wait until we obtain consent from the required majority. The only exception to this would be in an emergency which could pose a significant risk to the building or its occupants / visitors, where we would need to act quickly. Abertay welcomes suggestions from owners and tenants on how we can improve the Estates or solve problems.

## BUILDINGS INSURANCE

We arrange buildings insurance for you if shown in your statement of factoring services. The charge for 1 October 2020-30 September 2021 is £94.58 and is included in this invoice. A link to the policy and details of how to make a claim are included on our website.

Why not spread the cost of your bills and pay by monthly instalments. **Call Donna on 01382 513823 to discuss.**

## SHARE MEMBERSHIP

If you are interested in becoming a Member, application forms are available on our website or by contacting **Roz Clark on 01382 513821**. Membership of Abertay costs £1 for life. Members can stand for, and vote in, elections to the Management Committee and are invited to attend the AGM.

## ESTATE WALKABOUTS AND FLATTED PROPERTY INSPECTIONS

Some of the work carried out in your Estates is identified through our Estate Walkabouts and Flatted Property Inspections. For Estate Walkabouts, residents and staff walk the estate together, looking for anything that might make the estate look untidy or unsafe, and make a note of it. An action plan will then be developed to resolve any issues. Due to Covid-19 restrictions, residents are not able to join our Officers walking the estates. However owners are welcome to contact Abertay with any repairs or issues they identify in relation to the environment or safety of the estate. The outcomes of our walkabout / inspections and any reported issues can be viewed in the owners section on our website.

## COVID 19

The office is currently closed to the public due to Covid-19 and will remain so for the foreseeable future. You can still report repairs, make payments or speak to staff on any other issues by phoning **01382 903545**. In addition you can contact us by email to [queries@abertayha.co.uk](mailto:queries@abertayha.co.uk) and there is comprehensive information provided on our website [www.abertayha.co.uk](http://www.abertayha.co.uk).

## Shared Repairs and Planned Maintenance

If you own a flat in a tenement, or four in a block, as well as maintaining your own home, you and your fellow owners are responsible for the upkeep of the common or shared areas in or around the building.

## Shared Areas

Shared areas means shared responsibility. Examples of shared areas are

- the roof
- drains within the property boundary
- stairs
- common windows and doors
- down pipes or rhones
- paths and entrances
- door entry systems
- back greens
- boundary walls.

## Working together

If you live in a shared building, you need to work with your neighbours at all stages of repairs or maintenance work. Abertay may notify you of a repair or replacement they have identified as needing done or you might choose to hold a meeting or form a group with the other owners to organise repairs. Whatever option you choose should result in necessary repairs or upgrades being carried out and all owners paying their equal share.

## Finding problems

Routine maintenance will ensure that problems are identified and dealt with quickly and cheaply. You or your neighbours should have your building inspected at least once a year. This is part of our factoring regime.

## Money matters

Some repairs and improvements can be costly and owners should have the money before work starts. However, work may be vital and you / we may want to go ahead with most of the funding in place. Abertay does not offer grants for repairs and maintenance but grants may be available from Dundee City Council. We do offer advice on shared repairs, including money matters, by email, phone or in person.

Missing Shares Legislation helps flat owners who are having problems getting other owners to pay their share of repair costs to common areas of a tenement or block of flats.

This could be where an owner

- is unable to pay in the funds or it is unreasonable to ask them to do so
- cannot be identified or found or
- is unwilling to pay

## Abertay Current Plans

If you live in a tenement block and the roof has not yet received an upgrade like other blocks Abertay has homes in, it is likely we will soon be contacting you with a view to completing these upgrades in the next 18 months to 3 years. The roofs in Fintry in particular, have passed their lifespan and the roofs we have upgraded to date have been in a poor condition.

Owners in tenements that do not have a Door Entry System will be contacted to try to get this enhancement completed on their blocks.

Homeowners who feel that Abertay has failed to carry out its factoring duties or comply with the Property Factors code of conduct have after exhausting Abertay's complaints procedures, the right to apply to the First-tier Tribunal for Scotland (Housing and Property Chamber).

The Chamber's contact details are:
