

Today is the beginning of March, which also marks the the start of our Tenant Satisfaction Open Days!

(Please see timetable of days/times in your area).

You will have recently received your Tenant Satisfaction Survey in the post, we are keen to hear your valuable feedback. Should you need a hand to complete the survey, want to come along and discuss aspects of the survey or just want to come along and meet us in person, we would love to see you!

We want to hear from you...understanding the voice of our tenants is a critical component of daily operations at the Association.

Your feedback will help us identify strengths, opportunities for improvement and to better plan priorities, so what are you waiting for?

Check the timetable below, get the date in your diary, come along and see us and share your thoughts!
